"The stability of the relationship has been remarkable..... there has been NO turnover in the professional reps who visit our offices to collect the necessary data to service our needs. It must be a great place to work to have that level of employee loyalty and stability."

Berman Goldman & Ribakow LLP (bgr CPAs), founded in 1939, is located in Columbia, Maryland. bgr CPAs provides full-service accounting, audit, tax and consulting services to both corporate and individual clients across the Mid-Atlantic region.

"The personal service and accounting/tax expertise we receive from bgr is far superior to those received from other CPA firms. I have nothing but trust and confidence in bgr's abilities to respond to our issues quickly and accurately. Our long-lasting and mutually beneficial business relationship is very much appreciated!"
